<b>Key Indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.</b>			<b>Percentage of total allocation: 4%</b>
<b>Intention</b>	<b>Implementation</b>		<b>Impact</b>
School focus with clarity on intended impact on pupils.	Actions to achieve:	Funding allocated:	Evidence of impact on pupils including wider impact on whole school improvement:
A dedicated PE teacher has continued to coordinate opportunities for pupils to be more physically active, with the primary aim of supporting the development of their physical literacy.	The PE teacher will work with SLT and relevant staff to coordinate initiatives for pupils to be more physically active during lunchtimes and throughout the school day.	2 hours of PE teacher time per half-term.  1 hour of SLT time per term.	<p>Pupils are more physically active, evidenced by engagement in physical activity at lunchtimes and throughout the school day.</p> <p>Children appear more confident and are showing increasing levels of enthusiasm when participating in physically active pursuits.</p> <p>Fewer incidents of behaviour occur at lunchtimes.</p>
			<p>Sustainability and suggested next steps</p> <p>Look at how lunchtime staff and play leaders can be supported by the PE teacher.</p> <p>Consider permanent employment of staff that could take over activity initiatives in school.</p> <p>Produce a range of content and a suggested timetable for class teachers that could be used to engage children in regular indoor and outdoor physical activity, with the aim of improving pupils' fitness, confidence and concentration during the afternoon or in preparation for the delivery of other subjects.</p>

<p>Play leaders in Year 5 received training and support from Wider Learning and the PE teacher on how to plan, deliver and support opportunities for pupils to play and engage in physically active games, helping them to develop their physical literacy.</p>	<p>PE lead to organise and support training for Y5 pupils.</p> <p>Create rota and set expectations with Play leaders.</p> <p>Organise purchasing of hoodies.</p>	<p>1 hours of PE teacher time per half-term.</p> <p>Play leader hoodies.</p>	<p>Play leaders have shown developing confidence in their delivery of activities and games, encouraging others to play appropriately and be more physically active.</p>	<p>Existing play leaders in Year 5 will continue their role as playleaders in Year 6 while supporting the new Year 5 play leaders once trained.</p> <p>Look at the design and delivery of a bespoke training package for play leaders.</p> <p>Consider the planning and delivery of additional and specific training for play leaders that focus on a range of activities and games (type of activity or games played on certain areas of the playground).</p> <p>Consider rewarding Play Leaders with a certificate and badge upon completing a set number of hours.</p> <p>Look at implementing weekly challenges for children to improve upon throughout the week, with the possibility of providing a reward for the most improved. Consider linking challenges to national sporting events.</p>

<b>Key Indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement.</b>				<b>Percentage of total allocation: 5%</b>
<b>Intention</b>	<b>Implementation</b>		<b>Impact</b>	
School focus with clarity on intended impact:	Actions to achieve:	Funding allocated:	Evidence of impact on pupils including wider impact on whole school improvement:	Sustainability and suggested next steps
Emphasise the importance of developing physical literacy through supporting and celebrating opportunities to participate in physical activity and sport.	MAT PE lead will work with SLT to coordinate PESSPA provision through the organisation of activities, after-school clubs and competitions that promote teamwork, determination, respect and honesty.  Update social media platforms, with an emphasis on celebrating traits that support achievement and success.	4 hours of DW time per half-term.  1 hour of SLT time per term.	Children are increasingly motivated to participate in physical activity and demonstrate increasing confidence.  Children's enjoyment of PESSPA has been further increased by recognition of their success and achievement.	Existing plans or resources for PESSPA (events, after-school clubs or daily physical activity) could be amended or used by other staff to focus on developing pupils' physical literacy through encouraging and supporting British values.  Look at ways to encourage and reward pupils for demonstrating physically literate behaviours or values such as commitment, teamwork, determination, respect and honesty when engaging with PESSPA provision. For example, presenting

				<p>certificates for displaying these values or committing to after-school clubs, and medals for competitions.</p> <p>Consider hosting an end of year awards ceremony to celebrate sporting achievements and behaviours across key stages.</p>
<p>Promote the importance of regular PE for all children by removing any barriers to children's participation.</p>	<p>Ensure all reception children have PE kit upon starting school.</p> <p>Admin staff to organise the purchasing of additional PE kit for pupils when ordered through the school website at a subsidised rate of 50%.</p>	<p>Cost of full PE kit for reception pupils.</p> <p>Amount spent on subsidising PE kit for pupils.</p>	<p>Pupils have access to PE kit to ensure that lack of appropriate clothing does not impact upon their ability to participate fully in PE or sport.</p>	<p>Look at producing a fair, consistent and incremental strategy to help teachers deal with the issue of pupils that are dressed incorrectly or are without PE kit.</p>

<b>Key Indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport</b>				<b>Percentage of total allocation: 11%</b>
<b>Intention</b>	<b>Implementation</b>		<b>Impact</b>	
School focus with clarity on intended impact:	Actions to achieve:	Funding allocated:	Evidence of impact on pupils including wider impact on whole school improvement:	Sustainability and suggested next steps
Improve the quality of planning, teaching and learning in PE to develop children's physical literacy.	PE teacher to support the development of teachers' planning and delivery of PE lessons.  PE teacher to work with SLT to monitor planning and teaching of PE.	2 hours of DW time every week.  1 hours of SLT time per term.  Real PE Subscription Cost.	Through team teaching and the informal observing of pupils' learning, it is evident that teachers are demonstrating increasing confidence and enthusiasm in their delivery of PE.  Consequently, pupils' learning experiences are increasingly appropriate for their stage of development and there is more of an emphasis upon personal progression and physical literacy.	Input from the PE teacher before, during and after lessons will help consolidate teachers' delivery of PE and embed effective practice.  Look at developing curriculum guidance and support for effective planning to improve the quality of PE lessons for pupils.  Supplement the planning resources used to delivery PE lessons to reflect the curriculum guidance produced. For example, Real Gym or Real Dance.  Produce in- house continuing professional development (CPD) to

				<p>further develop and consolidate teachers' delivery of PE. Focus CPD on areas of the curriculum that staff have received less input on or parts that they are less familiar with. Consider the organising of external training facilitators to support staff in their delivery of specific areas. For example, Real Gym or Real Dance.</p> <p>Provide guidance and supporting resources for staff to improve their confidence and delivery of sport for all children.</p>

<b>Academic Year: September 2019 – July 2020</b>				<b>Total Fund Allocated:</b>
<b>Key Indicator 4: Broader experiences of a range of sports and activities offered to all pupils</b>				<b>Percentage of total allocation: 9%</b>
<b>Intention</b>	<b>Implementation</b>		<b>Impact</b>	
School focus with clarity on intended impact:	Actions to achieve:	Funding allocated:	Evidence of impact on pupils including wider impact on whole school improvement:	Sustainability and suggested next steps
Extend opportunities for children to participate in a range of physical activities and sport to support the development of physical literacy for pupils.	PE teacher to work with SLT to deliver new activities and sports as part of wider physical programs.  Purchasing of equipment to support the delivery of existing and new activities or sports.	3 hours of DW time per half-term.  1 hour of SLT time every term.  Lunchtime and PE equipment.	Some pupils have shown increasing levels of interest in physical activity and sport due to the increased range of equipment and activities available.	Existing resources for events, after-school clubs or daily physical activity could be used by other staff to engage children in regular physical activity. These resources could be expanded to support staff in delivering other initiatives that focus on developing pupils' physical literacy in new and exciting ways.  Look at work with play leaders to gather feedback from whole school regarding after-school clubs.  Consider gathering feedback on lunchtime activities and the PE curriculum (once finalised).

<b>Academic Year: September 2019 – July 2020</b>				<b>Total Fund Allocated:</b>
<b>Key Indicator 5: Increased participation in competitive sport.</b>				<b>Percentage of total allocation: 3%</b>
<b>Intention</b>	<b>Implementation</b>		<b>Impact</b>	
School focus with clarity on intended impact:	Actions to achieve:	Funding allocated:	Evidence of impact on pupils including wider impact on whole school improvement:	Sustainability and suggested next steps
Increase the number of children involved in intra and inter competitions, supporting the development of their physical literacy through opportunities to apply physical, social and intellectual skills.	PE teacher to liaise with SGO and SLT to link PE, SS and PA provision to the attendance of L1 and L2 competitions.	3 hours of DW time per half-term.  1 hour of SLT time per term.	Some pupils are more confident and have developed their ability to apply skills in new situations (such as competition or team events).	Existing plans or resources for competitions could be amended or used by other staff to engage children in healthy competition. Over time, these resources could be expanded upon to support staff in delivering additional competitions that focus on further developing pupils' physical literacy.  Consider producing a system to track the number of children that attend sports related events or competition, helping to support future changes to provision.
