## TOPIC

### REACH FOR THE STARS

We will be exploring the world around us both locally and globally by looking specifically at natural and man-made light sources. This will be incorporated into our Science, Geography, Art, and DT lessons. Children who attend mainstream classes for topic will follow the relevant year group curriculum.

## ENGLISH

This half term our English learning focus will be

- Demonstrating interest in a selection of reading material through exploration and sensory experiences
- Joining in with familiar stories
- Improving speaking and listening skills through social interaction small group interventions and one to one speech and language support
- Our older students will be using aids to develop language and vocabulary
- Our younger students will be developing sight vocabulary reading of common functional, CVC words and short sentences.

Children who attend mainstream classes for English will follow the relevant year group's curriculum.

## P.E

Our P.E Day will be on a **Friday**, please can children come to school wearing their P.E on a **Friday**.

## SNACK TIME

The children will be given a snack and drink every day. This is always a piece of fruit or a vegetable and will be offered water or milk.

**We ask that the children do not bring any other snacks or drinks to school.**
