

## MATHS

Next half term our Maths learning focus will be exploring properties of shapes.

We will

- Experience 2D and 3D shapes in a range of situations.
- Build with a range of shape resources.
- Use numbers and recognise in tens and ones.
- Continue identifying numbers up to 10.
- Be able to identify the heaviest object out of 2.

Older children will

- Find the perimeter and area of 2D shapes
- Continue to learn timetables
- Be able to add and subtract 3-digit numbers in columns.
- Identify greater and less than in numbers above 100 up to 1000.
- Compare weights of different objects and be able to order lightest to heaviest.

## PE

PE will remain on a Friday and children can continue to come into school in PE kit.

## SNACK TIME

The children will be given a snack and drink every day. This is always a piece of fruit or a vegetable and will be offered water or milk.

**Please can you make sure that we have the correct information regarding any allergies.**

## TOPIC

Children will develop their learning skills through our topic 'There's No Place Like Home'. We will explore different types of homes, identifying what type of buildings we live in. There will be comparison work into how people used to live and the differences between animal homes. Could we live in a burrow? Or a tree? We will be learning about the differences and having many discussions!

## ENGLISH

Next half term our English learning focus will be:

- Demonstrating interest in a selection of reading material through exploration and sensory experiences
- Enjoying stories during tailored story time sessions
- Improving speaking and listening skills through social interaction small group interventions and one to one speech and language support
- Matching picture to picture, pictures to words and words to words
- Developing sight vocabulary reading of common functional, CVC words and short sentences
- Sequencing stories and writing simple sentences.

## SPARE CLOTHES

Please send spare clothes and toileting supplies into school for your child.
